INDIA'S LARGEST

B2B AND B2C EXPO for

Agricultural Inputs, Machinery,
and Animal Husbandry

“

I am confident that India can become the organic food basket of the world. The government is making efforts to improve farmers' lives through technological advancements.

- **Shri Narendra Modi**
Prime Minister of India

“

The Ministry of Cooperation will continue to work towards empowering farmers and strengthening both the rural and national economies in accordance with 'Sahakar Se Samriddhi'

- **Shri Amit Shah**
Minister of Home Affairs and Cooperation of India

“

Turning towards organic farming is a very important step for improving our future.

- **Shri Bhupendrabhai Patel**
Chief Minister of Gujarat

RAJKOT, THE HEART OF SAURASHTRA IS THE RIGHT PLACE

- Rajkot's central position in Gujarat and excellent connectivity make it easily accessible for exhibitors and attendees.
- Rajkot is home to several manufacturers, making it a hub of agriculture manufacturing.
- Saurashtra contributes over 50% of Gujarat's cultivated land.
- The region's robust cooperative movement has empowered farmers and created a supportive ecosystem for agricultural growth.
- The entrepreneurial culture has given rise to numerous agricultural startups and businesses, driving growth and job creation.
